Camp Lone Star Auction Fundraiser | July 30, 2023

We need your help in securing items for the <u>Annual Camp Lone Star Barbecue and Auction Fundraiser!</u> The revenue that this brings will further the programs that can be done through Camp Lone Star.

All donor names will be announced and/or displayed with auction items. Donated items are also tax deductible as pro-vided by law. Items are considered in-kind donations to Camp Lone Star.

Experience has shown us that successful auction items can be anything from certificates to hand-made goods. As a general rule, the more unique a gift, the better it will do. *We reserve the right to hold a duplicate/similar gift until next year's auction and to use any gifts in either the live or silent auction.*

Thank you for your support!

Notification of Auction Item

Your printed name (first and last)

Item to be donated (use a separate form for each item, call for more or copy as needed) Gift certificates, when possible, should be valid through October 1, 2023.

Business or Individual making the donation

Physical/Street address of donor (if we need to pick up item)

Mailing address of donor

City/State/Zip

Email

Phone

Contact person at business (*if applicable*)

Business website address for potential on-line auction link

\$

Fair Market Value (FMV)*

*The fair market value (FMV) is generally how much it would cost to replace this item with a similar one. The FMV of food items is the price you could expect to purchase a similar item in a grocery store. Buyers can only claim as a charitable gift tax deduction the amount that they bid <u>over</u> the FMV of an item. <u>Each item must have this value listed before</u> it can be put up for auction.

Check one: Item will be delivered to Camp before July 15th (delivery deadline) Items received after July 14th have a great likelihood of not making it on the Live Auction.

A Camp Staff member should contact me regarding pick-up of item (only within a 50 mile radius).
