OUR MISSION

Transforming lives through adventurous Christ-centered experiences by planting seeds of faith, cultivating Christian leaders, and growing the kingdom of God.

The Elevate Internship Program seeks to offer young adults the opportunity to develop leadership character and skills while gaining real-world practical experiences in a hands-on environment. Our hope is that those who join us will learn the principles and competencies that will prepare and equip them to serve wherever God leads them next, especially if it's a professional ministry setting.

Elevate Interns' time is focused on developing four main areas of life during their time at Camp:

Character That Builds Trust | Clarity That Instills Confidence
Competency That Gains Respect | Faith That Is Adventurous

The Elevate Internship Program leans on two different forms of development: practical, hands on work experience, and small group style learning opportunities.

Hands On Work

Much of the Elevate Interns' time is spent walking alongside and learning from our full time staff on the job with guests throughout the week. As the internship progresses Interns are given more and more work responsibility to lead their own groups and forge their own path at Camp!

Small Group Teaching

Interns spend time each week in 1-on-1 meetings, team meetings, small group classroom time, and Bible study - all focused on helping them grow into the person God created them to be!

Gained Experiences

Spiritual Development | One-on-One Mentoring | Intentional Ministry Training
Hospitality Management | Event Planning and Programming
Goal Setting and Proposal Creation | Outdoor Certifications
