Camp Lone Star Auction Fundraiser | July 28, 2024

We need your help in securing items for our annual BBQ and Auction Fundraiser! The funds raised will make an eternal impact by furthering the ministry that can be done through Camp Lone Star!

All donor names will be announced and/or displayed with auction items. Donated items are considered in-kind donations to Camp Lone Star and are tax-deductible as provided by law.

Experience has shown us that successful auction items can be anything from certificates to handmade goods. As a general rule, the more unique a gift, the better it will do. *Camp Lone Star reserves the right to hold a duplicate/similar gift until next year's auction and to use any gifts in either the live or silent auction. Items received after July 14 have a great likelihood of not making it in the live auction.*

Thank you for supporting Camp Lone Star and helping us transform lives and grow God's kingdom!

Fair Market Value (FMV)*

Contact person at business (*if applicable*)

**The fair market value (FMV) is generally how much it would cost to replace this item with a similar one. The FMV of food items is the price you could expect to purchase a similar item in a grocery store. Buyers can only claim as a charitable gift tax deduction the amount that they bid over the FMV of an item. Each item must have this value listed before it can be put up for auction.*
