ACTIVITY OPTIONS

Campers spend the day with their assigned group and counselor, creating a close-knit experience. Throughout the day, however, there will be opportunities for campers to engage with other groups during various activities. While campers will have some input in planning their group's schedule, certain core activities are part of every camper's day.

Each day, campers can look forward to Bible study, a variety of outdoor activity rotations, a visit to the Trading Post for a snack, and one water activity (lake, pool, or water games).

Additionally, campers can add a few other exciting options to their schedule, including: Nature Hike, Fort Building, Tomahawks, Slingshots, Battle Bow, Arts & Crafts, Outdoor Ed Unit, Base Camp Games, Playground, Volleyball, Challenge Course, and more!

This balance of structured activities and flexible choices ensures that every camper has a fun and meaningful experience.
